

Special Education Ages 3 – 21

QUALIFICATIONS FOR TEACHING PUPILS WHO HAVE TRAUMATIC BRAIN INJURY

1. Before teaching pupils, ages 3 to 21, inclusive, who have a traumatic brain injury, a person must hold an endorsement issued pursuant to this section.
2. To receive the endorsement, the person must:
 - a. Have completed a program of preparation for teaching pupils who have a traumatic brain injury, which has been approved by the board;
 - b. Hold a license or certificate, issued by another state, with an endorsement to teach pupils who have a traumatic brain injury;
 - c. Hold a bachelor's or master's degree in the education of pupils who have a traumatic brain injury and have completed 8 semester hours of student teaching, equivalent field experience or 1 year of verifiable teaching experience in special education; or
 - d. Hold one of the endorsements described in NAC 391.343 Special Education Generalist, 391.350 Serious Emotional Disturbances, 391.356 Specific Learning Disabilities, 391.360 Mental Retardation, 391.363 Early Childhood Developmentally Delayed, 391.370 Speech and Language Impaired, 391.376 or 391.380 Orthopedic Impairments and have completed course work in the following areas:
 - (1) Behavior management;
 - (2) Neurological aspects of pupils who have disabilities; and
 - (3) Methods and strategies for teaching pupils who have learning disabilities or a traumatic brain injury.
